Availability: Immediate Email: tafaberson@crai-ky.com	Specific Duties: <ul style="list-style-type: none"> • Principal investigator • Report preparation • Historic site documentation and evaluation • Proposal development 	Education and Training: <ul style="list-style-type: none"> • Ph.D. anthropology, University of Tennessee, Knoxville, Tennessee • M.A. anthropology, University of Tennessee, Knoxville, Tennessee • B.A. anthropology, Illinois State University, Normal, Illinois 	
Experience Summary Information			
Principal Investigator, Historic Materials Specialist Cultural Resource Analysts, Inc. 2006–present	Field Director/Senior Archaeologist Archaeological Research Laboratory University of Tennessee 2005	Field Supervisor/Field and Lab Technician University of Tennessee 1998–2005	
<p>Dr. Faberson is one of a team of full-time principal investigator and field supervisor. Her duties encompass all aspects of seeing these projects through to completion. These responsibilities include proposal development, fieldwork, laboratory analysis, and final report preparation. She is experienced in Historic and Prehistoric Archaeology and has acted as Field Director and Principal Investigator for projects in Kentucky and Indiana, and Field Director and Field Supervisor for projects in East Tennessee and Illinois. She has regularly presented papers at regional and national conferences, published in refereed journals, and is currently preparing further publications.</p> <p>Experience and Expertise:</p> <ul style="list-style-type: none"> • Historical archaeology • Historic site preservation and restoration • Eastern and Midwest North America • Social inequality and stratification • Political economy, domination and resistance, critical theory • Material culture studies • Heritage studies • Public archaeology • Industrial archaeology <p>Education:</p> <p>Doctor of Philosophy, Anthropology: Historical Archaeology <i>University of Tennessee, Knoxville, Tennessee August 2005</i> Studied archaeological evidence of social inequality and the political and economic milieu of the 19th- and early 20th-century Southeastern United States. Dissertation: “In the Shadow of Greatness: The Archaeology of Capitalism, Agriculture, and the Informal Economy at Marble Springs, Knox County, Tennessee, 1847–1932.”</p> <p>Master of Arts, Anthropology: Historical Archaeology <i>University of Tennessee, Knoxville, Tennessee August 2001</i></p>			

Studied discipline-wide anthropological theories and practices, as well as field methods, analytic procedures, and theories specific to historic archaeology. Thesis: "Privies, Pigs, Rubbish, and Quacks: The Archaeology of Late Nineteenth and Early Twentieth Century Public Health in Knoxville, Tennessee." Examined the archaeological evidence of resistance to public health reform legislation in the late nineteenth and early twentieth century.

Bachelor of Arts, Anthropology

Illinois State University, Bloomington-Normal, Illinois May 1998

Studied anthropology from the traditional four-field perspective, while minoring in biology. Completed extensively researched senior thesis on human skeletal pathology.
